

To Whom it May Concern,

It is my privilege to write this recommendation for Carson Bembridge. I have been fortunate to coach Carson on my Club Team, QC Devils, for four years. In all of my dealings with Carson he has shown to be a young man of character, intelligence, and talent. He is now a sophomore at Queen Creek HS and is displaying the leadership and work ethic that every coach hopes for from his top players.

In a day and age where many players have lost the love and passion for the game of baseball, Carson is a breath of fresh air. Carson truly has a heart for baseball, which explains his hard working nature and mentality. But, most of all he is passionate about this game and plays the game without an ounce of fear. If I could field a team full of kids just like Carson I would have the makings of something special.

Carson is one of the hardest working student athletes that I have worked with in my 20 some years of coaching. He never takes a day off. He leads by example. Carson is relentless as a player. He wants to be on the field at all times. He has worked hard since last season on his strength and quickness. He will graduate from Queen Creek HS in 2021. As a freshman, he was bouncing around from Varsity to JV showing his versatility. Carson has taken his natural talent to the next level through hard work and a tremendous desire to excel.

As fine a baseball player as Carson is, he is even a finer young man. He displays a great attitude in the classroom. Carson continues to challenge himself with some of the most demanding courses offered at his school. His hard work and genuine concern for learning and mastering subject matter has led to a perfect GPA of 4.0. To say that he is a great student would be an understatement. Carson is polite, and humble. He is active in his community and is a positive role model for all at Queen Creek High School.

I strongly believe that Carson Bembridge will be an asset to any program. He will figure out what he has to do to be successful and then he will go about getting it done. No one will outwork him. He will combine his God given talent with a great desire to excel and a work ethic that is second to none. I encourage you to give Carson strong consideration. He will make you proud just as he has made me proud.

In closing, should any of you that read this letter like to talk with me further about Carson Bembridge as a player, or as a person, I invite you to call (480) 252-1912 or email me Anthony.delsi@gmail.com anytime. I will look forward to hearing from you.

Sincerely,
Anthony Delsi
